

Wrong-way Warning

Off-ramp One-way streets

- Single- or Multi-lane Off Ramps
- One-way Streets
- Counterflow Lanes

OVERVIEW

Wrong-way Warning

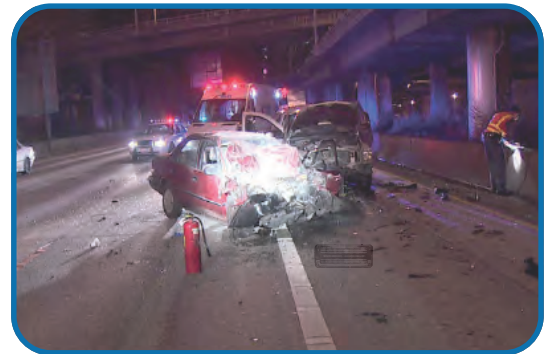

Wrong-way crashes are often head-on collisions that are more likely to produce serious injuries and fatalities. Most of the time the offenders are confused, distracted, or intoxicated drivers who tend to keep their eyes on the road directly in front of them often not seeing roadside warning signs.
